# SAFETY DISCONNECTS

## inSIGHT™ DISCONNECT

30A, unfused, non-metallic disconnect  
6 highly visible LEDs communicate  
the electrical status of the switch  
by phase.

Brand **Hubbell**  
Item# 1130422  
Mfr. Model# HBLDS3P

## LED Replacement Cover

Already have Hubbell non-metallic  
disconnects? Get the non-metallic  
replacement cover for 30A  
disconnects with LEDs.

Brand **Hubbell**  
Item# 1132194  
Mfr. Model# HBLDS3RCP

## inSight™ SS Disconnect

30A, unfused, SS sloped-top  
disconnect. 6 highly visible LEDs  
communicate the electrical  
status of the switch by phase.

Brand **Hubbell**  
Item# 1130429  
Mfr. Model# HBLDS3SSRP

# LOCKOUT/TAGOUT

## VeriSafe™ Absence of Voltage

The Safe Way to Verify Absence  
of Voltage. Reduces the risk of  
exposure of electrical hazards for  
improved worker safety.

Brand **Panduit**  
Item# 1120295 or 1119045  
Mfr. Model# VS-AVT-C02-L10 (2' Cord)  
VS-AVT-C08-L10 (8' Cord)

## Electricians Lock Out Kit

Designed specifically for  
lockout/tagout applications.  
This kit provides a selection of  
devices commonly used by electricians.

Brand **Panduit**  
Item# 1219680  
Mfr. Model# PSL-PK-EAP

## PowerLOK™ Breaker Lock Out

Two-Position Padlock Design/3 X  
Better Pull-Off Force/Fits Single  
and Multi-Pole Circuit Breakers

Brand **Panduit**  
Item# 1050611  
Mfr. Model# PSL-PCB

# PERSONAL PROTECTION

## Lift Front Hood

20 cal/cm<sup>2</sup> Lift Front Hood with  
PrismShield™ - 360° protection.  
Anti-fog & anti-scratch coating  
Optional task light kit (FLKIT # 449232)

Brand **Salisbury**  
Item# 1249439  
Mfr. Model# LFH20-SPL

## Linemans Gloves

The gloves meet or exceed  
ASTM D120 and IEC EN60903  
standards. Proof Test Voltage  
AC/DC: 2,500/10,000

Brand **Salisbury**  
Item# 529933  
Mfr. Model# E0011B/9

## Leather Glove Protector

Provides excellent protection  
for rubber insulating gloves.  
Meets ASTM F696 standards.

Brand **Salisbury**  
Item# 562142  
Mfr. Model# ILPG10A/9

# MACHINE GUARDING/CONTROL

**Rockwell  
Automation**

## Guardlocking Switch

Positive mode - keeps machine guard closed until hazard is safe, then keeps power isolated while guard is open.

Brand **Rockwell Automation**  
Item# 49190  
Mfr. Model# 440G-T27241

## Lifeline 5™ Cable Pull Switch

Electronic rope monitoring system  
Die cast aluminum housing (IP66)  
Supports cable spans up to 100m  
E-Stop, 2-OSSD Outputs, 1-Aux output

Brand **Rockwell Automation**  
Item# 1140351  
Mfr. Model# 440E-LL5SE8

## GuardShield™ Safety Light Curtain

Next generation system  
Transceiver is a transmitter or receiver with optional module, 30mm resolution, 1200mm length, Increased flexibility

Brand **Rockwell Automation**  
Item# 1174404  
Mfr. Model# 450L-B4HN1200YD

## IEC Safety Contactor

Safety contactors provide safe isolation of hazardous motor loads.  
9A, Line Side, 24VDC Electric Coil,  
3NO, 1NO 4NC Bifurcated Contacts

Brand **Rockwell Automation**  
Item# 37038  
Mfr. Model# 100S-C09EJ14BC

## SensaGuard™ Non-Contact Interlock Switch

RFID Technology  
Large sensing range  
LED indication for diagnostics  
6" pigtail with M12 micro-connector

Brand **Rockwell Automation**  
Item# 74080  
Mfr. Model# 440N-Z21SS2HN

## GuardLink™ Tap

GuardLink™ taps connect safety input devices to a GuardLink system, a safety-based communications protocol that links safety to The Connected Enterprise.

Brand **Rockwell Automation**  
Item# 1240714  
Mfr. Model# 440S-SF8D

# METERS/CAMERAS

**FLUKE®**

## Proving Unit

- Safe and easy method to verify proper operation of the T6-600, T6-1000 electrical tester or other test tools.
- Verify energized/de-energized source.

Brand **Fluke**  
Item# 1168713  
Mfr. Model# PRV240FS

## Multi-Meter

- Measure up to 1000V without test leads!
- Open fork fits up to 4/0 AWG.
- View voltage & current simultaneously
- Includes FieldSense™ Technology

Brand **Fluke**  
Item# 1148064  
Mfr. Model# T6-1000

## Infrared Camera

- Rugged, reliable, versatile thermal imager for industrial applications
- 3.5" LCD screen, 160x120 resolution
- Get quality images at a distance.

Brand **Fluke**  
Item# 923395  
Mfr. Model# TiS45

## IR Window

- With Door Latch
- NEMA Type 4/12 (indoor/outdoor)
- Mounts to enclosure/panel

Brand **Fluke**  
Item# 646173  
Mfr. Model# CV300

## Thermal Multi-Meter

- Integrates two test tools into one!
- 15 electrical measurement functions
- 3.5" LCD Display
- Includes Fluke Connect®

Brand **Fluke**  
Item# 979507  
Mfr. Model# 279-FC

## SAFETY SERVICE OFFERING

**SAFETY ASSESSMENTS** - Rexel Automation provides various types of safety assessments.

- **Basic Safety Assessments:** Provide a comprehensive assessment of all risk areas for a machine with the use of limited on-site personnel.
- **Team Based Risk Assessment:** Certified safety experts work with a team of onsite personnel to conduct an in-depth analysis of a machine or entire system.

**SAFETY FUNCTIONAL REQUIREMENT SPECIFICATIONS** - Are you challenged by creating safety standards for your business? Our certified safety experts will guide the process to create machine safety standards to address safety solutions for a machine or an entire company.

**SAFETY CIRCUIT DESIGN** - When you need to design safety circuits to meet certain standards or compliance you can rely on Rexel Safety Professionals. Rexel can also help review an existing design and conduct a complete evaluation of safety circuit integrity.

**ARC FLASH ASSESSMENTS** - Arc Flash Assessments are a necessary safety precaution at all industrial facilities. Rexel conducts comprehensive Arc Flash Assessments that include on-site inspections to gather necessary data, categorizing all electrical panels and creating associated display stickers, on-site Arc Flash training, as well as recommendations for proper PPE.

**LOCKOUT/TAGOUT SERVICES** - You expect an expert team to offer a complete solution for all Lockout/Tagout needs. Our Lockout/Tagout program includes the creation of customized procedures for each entry point, access to software which remains with the end-user, as well as on-site training.

## Rexel - Your Go-To Partner for Safety

At Rexel our mission is to support our partners and help them run a better business. By providing a broad range of innovative products and solutions we deliver our customers best-in-class service and support.
